ATMC Awards \$30,000 in Education Grants

ATMC has awarded \$30,000 in Smart Connections grant funds to 15 educators and organizations for programs that will benefit Brunswick and southeastern Columbus County students. The cooperative recently honored the recipients with a reception at ATMC Headquarters in Shallotte.

To date, 343 local community and education grants have been awarded totaling almost \$550,000. ATMC began awarding community and education grants in 2006.

2017 Grant Applications Being Accepted

ATMC will be accepting applications for our 2017 Community and Education grants from January 9th through March 15th. We have combined application periods this year, but will continue to award \$25,000 in Community Connections grant funds to nonprofit organizations serving Brunswick County and \$30,000 in Smart Connections funds to educators in Brunswick County and areas of Columbus County served by ATMC.

Community grant funds will be awarded in April, and education grant funds will be awarded in September. For an application or for more information on eligibility and exclusions, please visit atmc.com or contact our Public Relations Department at 755-1755.

Applications must be received at ATMC offices by 6:00 PM on March 15th.

New Devices Need More Speed!

High tech gadgets were at the top of your Christmas list and now you need more speed to help them perform at their best. Whether it's a new smartphone, an online gaming system, or a new laptop, ATMC has all the speed you need. Upgrade now and get speeds of up to 1 Gig and add WiFi@Home to connect your new devices wirelessly from any room in your house. It's that simple!

Visit atmc.com to find out which speed is best for you, or call 755-1967 for more information.

Speed listed not available in all areas & is maximum attainable download speed. It may vary depending on factors such as network traffic, customer-owned devices or issues relating to the premise. Non-optional Cable Modem Lease Fee may apply if service is received via cable modem. Attainable speeds via Wi-Fi vary & are dependent on factors such as the number or type of devices connected & proximity of competing Wi-Fi networks. Wi-Fi@Home is intended to aid in secure set-up of wireless devices to one ATMC provided router & doesn't guarantee coverage. Taxes & fees not included. Certain other restrictions may apply.
