ATMC STAFF STEPS UP FOR UNITED WAY

ATMC recently completed its annual United Way Campaign and raised more than \$25,320 to help local residents in need. Fundraising activities included an employee giving campaign and a silent auction. Numerous local merchants were generous in contributing items and gift certificates for the silent auction.

"Our staff is always generous in giving back to the community," said Allen Russ, ATMC CEO/General Manager. "Many have friends and family who have been directly impacted by United Way funded agencies, and they have seen firsthand the difference these services can make. We are proud to be able to support the Cape Fear Area United Way and our neighbors in need."

Money raised during the 2014 campaign will be used for funds dispersed in 2015 for a wide scope of community, health, human services, and educational needs in our region. ATMC and its employees have contributed more than \$330,000 to United Way within the past 15 years.
